Youngest Students Go Back to School as Well

Your support of our schools is amazing. We can't do what we do without you. Our youngest students in the infants and toddlers program have some needs as well:

- bags for virtual learning kits
- headphones
- extra large zipper top bags

[Dana Layman](#) runs PIE for the program.

Schools Prepare to Open

Partners continue to support schools' requests for re-opening supplies. Here's Russ and Shannon Young from Kona Ice South Palm Bay at Palm Bay Elementary. The cheerful Kona truck delivered lanyards and goodies to the very active Little Pirates at the school. School PIE coordinator, [Barbi Miller](#) was so pleased.

Share your photos of support with me to post here and/or join us on the PIE Facebook page.

Check out our PIE Facebook page. (It's a closed group so just PIEs and school PIE coordinators are on there.) Say "hi" or see what's going on in PIE land every day.
