Virtual PIE Networking Event Huge Success

Can't thank you enough to all of you who "showed" up to attend last week's PIE networking event via Zoom. The feedback was so positive we are going to have two more.

You still get your one minute elevator pitch and we have time for networking and, of course door prizes.

We have sponsorship opportunities now. For the cost of one **\$25 gift card** you may share about your business for 3-5 minutes to the group. We should have between 30-50 folks. Your card will be the door prize for the school coordinators.

these fun activities. Please remember to use the hashtags mentioned for each day and tag @BrevardPublicSchools(official) so we can share your tips, wisdom, motivational stories, photos, future plans and more! Help us send our Seniors out in style!
