Partners in Education (PIE) Virtual Networking Event Sparks Business Opportunities

Last week's PIE networking event was really well-received. We averaged 47 participants. Everyone got to do their one minute pitch and many connections were made.

Want to increase your opportunities to be seen on campus come fall?

Consider putting your logo on the sleeve of the **official school shirt** that staff wear at least once per week during the school year. What a great way to be part of the team.
